## COUNSELING POLICY – CUSTODY RELATED ISSUES

---

Thank you for your involvement with the Albany Biblical Counseling Center. It is our hope that this ministry will be a great source of encouragement to you and your family. The focus of this ministry is to use God’s Word to help the counselee to deal with the issues that affect them in their daily living to help them to grow and change.

Our counselors are here to benefit the counselee by focusing on the issues with which they are dealing. The counselor helps to equip them to think and act in a way that would please Christ, thus benefitting family, school and friends with their change of behavior.

In CHILD CUSTODY cases the counselor cannot make judgments regarding the terms of suitability issues as to the best placement of the child. They will not be allowed to be part of any court proceedings. The only thing that the counselor will be able to provide is a letter to the parent(s) and/or court outlining the child’s progress if so deemed necessary.

I UNDERSTAND THE ABOVE POLICY AND AGREE TO ABIDE BY IT.
